Bead Loom Bracelet

By Anne Akers Johnson

Klutz, \$24.95, 60 pages

This is a fun, easy-to-use bead kit, with a loom included for making colorful and detailed bracelets. The loom is easy to use, even for younger children, and the project instructions are clear and easy to follow. Everything you need to begin is in the box: buttons, needles, thread, and thousands of beads. When you run out of anything, it's easy enough to find more, nothing in the kit is proprietary. Highly reusable, lots of use and fun for the price.
