Diners, Drive-Ins and Dives

By Guy Fieri with Ann Volkwein

William Morrow, \$19.95, 250 pages

In Guy Fieri's own words, his new book *Diners, Drive-Ins and Dives* is "off the hook". If you like his program of the same name on the Food Network channel, you will like this book. Guy takes you on an all-American road trip to 60 of the diners, drive-ins and dives he's visited on his program. He gives a history of each restaurant and a recipe adapted from one of that restaurant's signature dishes. There are a few of the usual diner recipes like meat loaf and coconut cream pie, but there are more unique recipes like Benny's Mofongo and Pete's Rubbed and Almost Fried Turkey Sandwiches. Recipes span the categories from Breakfast to Dessert. A number of the restaurants are right here in Northern California, including Duarte's Tavern in Pescadero, The Original Falafel's Drive-In in San Jose, and Squeeze In in Sacramento.

The address for each restaurant is included, so if I ever make that cross-country driving trip I've been dreaming of, this book is going with me and I plan to eat my way across America!
