## **sTori Telling**

*By Tori Spelling*

*Simon Spotlight Entertainment, \$24.95,  
288 pages*

Tori Spelling is most notably remembered as Donna Martin from *Beverly Hills, 90210*. She was the country's most famous virgin, and her life was every bit tabloid-worthy it seemed, if not more. But, years after 90210, that same name she had opened so many doors to opportunity and stardom slammed them shut. Her exploits had ruined her career as an actress, but did not ruin her life of fame. From

nose jobs and fairytale weddings with the wrong guy to her fight with her mom, Tori Spelling reveals it all in her memoir *sTORY Telling*. She tells her life story in such

frank and humorous detail that it is hard for the reader not to chuckle or even laugh at points. An enthralling look into the life of an old TV giant, this book shows the chill and down to earth side of Tori Spelling and shows the life of someone that no one is likely to forget anytime soon.
